[2016 BSCA NATIONAL SPECIALTY](#)

People keep the BSCA National Specialty Catalog for years! Your ad will be a permanent part of BSCA History!

Ads do not need to be "camera ready", however, if you are sending me a camera ready ad, please send as a JPEG. For those who are interested, I will be more than happy to offer assistance in creating a camera ready ad for you.

Per Rau's catalog ad requirements:

All catalog printing is done by Off Set. All Photos will be returned to the show Chairman at the Specialty.

Unless Ad is "camera ready" composition will be made at printer's discretion. Photo reproduction from show catalogs, phone books, business cards etc., result in POOR QUALITY and are not guaranteed.

For BEST RESULTS send Original Photographs. Quality of reprints from other photos INCLUDING digital or digital prints cannot be guaranteed. Any additional artwork or camera work will incur additional charges.

When sending Photos be sure to label the envelope "PHOTO--DO NOT BEND OR FOLD!!"

Print or type all ad copy to avoid errors!
